PROFILE

BIRTHDAY
June 10th, 2001

NATIONALITY
Albanian

ABOUT
I am a designer, programmer, painter, and bassist. My biggest drive is finding ways to combine my two passions: technology and art. My curious and hardworking nature motivates me to learn the necessary skills and tools to bring my imagination to life and develop new ideas while, of course, having fun!

HOBBIES

- Painting, drawing, digital art
- Playing bass
- Exploring street art
- Photography
- Discovering new music

LANGUAGES
